- 4 LSC Status. It was decided that the case for the reversal on the previous decision regarding LSC status was strong in that it did not comply with the recognised conditions due to the lack of local facilities. i.e. there is no shop, no post office or public house. The only relevant business is Yaxham Waters, which had been put forward as potentially one of four Additional Emerging Sites Land Allocation Options development land thereby negating its relevance to the LSC status. This situation only came to light after the Council meeting held on 11<sup>th</sup> February 2016. A vote was taken and the decision to reverse the previous vote was unanimous.

- 5 It was agreed that Yaxham Parish Council would send a letter to Breckland confirming they wished to reverse the previous decision on LSC status in the light of new information and further consideration.

***The chairman closed the meeting at 8.35pm***
