**1. Charity Application for Funding.**

An application was received from Yaxham Woodland Group to fund a picnic table and bench at Pinns Corner with the total cost of the scheme quoted at £775.00.

It was decided by the Trustees not to fund this application for the following reasons:-

It was deemed to be a lot of money for relatively few people using the facility. There is already a table in situ and has minimal usage.

The Woodlands Group had not applied for money from other sources before approaching the charity.

There were concerns re security and vandalism.

It was felt that plastic would be incongruous to the setting.

Te granting of this application may lead to further application for similar tables and benches from other specific groups and would set a precedent.

The majority of councillors voted against with one abstention.

The meeting closed at 9.15pm .
