

YAXHAM PARISH COUNCIL

VILLAGE NEWSLETTER

November 2020

Consultation

Please complete the following as best you can. Your input will help the Parish Council set the priorities for the Council, its budget and the council tax for the coming year – thank you.

First – as Yaxham parish resident please fill in your Post Code here NR19 1.... Thank you

1) New Bus-shelter location in Clint Green – Location?

Which location would best suit the needs of residents?

A) Suggested New Location in the layby to the east of Well Hill. This is where the school bus already stops to pick-up and drop-off children which shows that this location is both practical and already works. The Bus-shelter would be set in the bank. The positive would be that you can see the bus coming from the bus shelter.

B) Old Location on Well Hill, where the current memorial bench is sited. Residents complained that this was too far back from the road so they could not see the buses coming.

Good news – both Highways and Konnectbus have agreed both sites would be acceptable.

Please indicate your preferred location

Please circle in pen your preferred option

A) Site the Bus-shelter at the new location on **Norwich Road**

Yes / No

B) Site the Bus-shelter at the old location on **Well Hill**

Yes / No

2) New Bus-shelter location in Clint Green – Style?

i. Steel & Perspex, similar to the new ones in Yaxham?

Positives – open to all to see busses coming and discourages antisocial behaviour.

Negatives – flyposting can damage the perspex, making it difficult to clean and keep in good repair, and local notices cannot be fixed to it.

Yes / No

ii. Modern wooden Bus-shelter?

Positives – more rural and can provide a facility for local residents and organisations to easily put up notices.

Negatives – not so open so might encourage antisocial behaviour.

Yes / No

For more information see www.yaxham.com/parish-council/ or email yaxhamparishclerk@gmail.com.

3) Replace wooden Bus-shelter (1974) on Norwich Road Yaxham – Style (It has been repaired and repaired now for nearly 50 years and is near the end of its useful life)	
i. Steel & Perspex, similar to the new ones in Yaxham? Positives – open to all to see busses coming and discourages antisocial behaviour. Negatives – flyposting can damage the Perspex, making it difficult to clean and keep in good repair.	Yes / No
ii. Modern wooden Bus-shelter? Positives – more rural and can provide a facility for local residents and organisations to easily put up notices. Negatives – not so open so might encourage antisocial behaviour.	Yes / No
4) Possible Traffic Calming on Norwich Road at Elm Close & St Peter’s Close (Continual concern about the speed on this road)	
Chicane or pinch-points to narrow the road and slow the speed of traffic - possibly like one at Hockering (without streetlights).  <p style="text-align: right; font-size: small;">Courtesy of Google Earth</p>	Yes / No
5) Broadband upgrade – Bringing Gigabit Broadband to your home or business	
Are you interested in the opportunity to bring super-fast fibre broadband to your home? There is a government scheme to extend “fibre to the premises” (FTTP) which includes grants for businesses and residents to connect. It could increase download and upload speeds by many 100’s of times. If this could make a difference to you and your family’s use of the internet as a resident or business then please say “Yes” and then we can talk to the suppliers and develop a scheme for the village, thank you.	
If “Yes” can you write in your name and address please so that we can keep you informed as matters develop. Your details will not be shared without your agreement.	Name..... Address.....

Please fill in the questionnaire and by 4pm Friday 20th November 2020

And return it by email it to yaxhamparishclerk@gmail.com,

OR deliver it for the attention of Yaxham Parish Clerk, to one of the following addresses:
