The Chairman recapped the situation and explained she had spoken to Justin Coote from Badger and he explained that the agreement is being dealt with by the solicitors at present and he did not see any reason why the agreement will not be signed and monies then deposited with Breckland Council.

The Councillors discussed the risks involved. It was proposed that a 30-day extension and revalidation of the quote would be asked for along with a 25% deposit.

CC proposed, RW seconded and all agreed.

The Chairman will wait a week for a response from Breckland Council before she contacts them again.

The Chairman reported there was to be an informal meeting in the second half of September of the Chairmen & Vice Chairmen representing most of the parish councils in the Mattishall Ward plus others to discuss the Local Plan progress and other issues.
