

YOUR VOICE IN BRECKLAND

Wednesday 4th March 2020

Important Announcement regarding impact of Coronavirus on Gadget Savvy Market Place event on 27th March

The advice from Breckland District Council this morning is that there are no reported cases of COVID-19 in the Breckland district at this time and that they are carrying on as normal with room bookings. This of course may be subject to change at short notice.

So the current plan is that entrance to our event on 27th March will be manned to ensure that every single person attending provides their name & contact details, and applies hand gel.

We respectfully request that you do not attend our event if you feel unwell, have been in contact with someone who is unwell or if you have returned from an infected area.

The situation will be monitored closely and our event may be cancelled at short notice if it is considered appropriate.

Please be alert to our future notifications.

Best wishes

Chris
