## Dear Resident,

First we would like to say thank you to everyone who has volunteered to help. This week we have undertaken shopping, surgery trips and prescription collections on behalf of Yaxham Parish residents self-isolating due to COVID-19. This update is to highlight new information we are aware of. All of this is subject to Government Guidelines and Restrictions!

Please remember, we can help with:

- Picking up shopping or posting mail
- Picking up urgent supplies/prescriptions
- Community Car Scheme trips to medical appointments
- A weekly phone-call for a friendly chat and to check whether you need anything

For shopping, please think ahead so that you use this service once a week at most - apologies we cannot do daily deliveries just because you've remembered something extra. We are looking to introduce a flat £10 fee "Food Hamper" Service, this would contain basic supplies i.e. milk, bread, soup, butter, biscuits and eggs. When that is up and running we will let you know!

### More volunteers please

If you and your family are under 70, and do not have underlying conditions, we would love to hear from you let us know what you can do to help as a Yaxham Cares volunteer - email [yaxhamcares@gmail.com](mailto:yaxhamcares@gmail.com)

### Service Update - our latest understanding of local services:

Please check the current position directly when you want to use a service. For shopping later in the day/evening seems to mean less queues. Call/email us if you find anything that differs from this update.
