

YAXHAM PARISH COUNCIL

INTERNAL AUDIT PLAN

Reviewed and adopted by the Council at its meeting in March 2023

Due to be reviewed by March 2024

Principles

1. **Regulation 6 of the Accounts and Audit (England) Regulations 2015 imposes a duty on local councils to maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control in accordance with the proper practices in relation to internal control.**
2. Internal audit is a key component of the system of internal control. The purpose of internal audit is to review and report to the council whether its systems of financial and other internal controls over its activities and operating procedures are effective. **The internal audit function must be sufficiently independent from the management of financial controls and procedures of the council which are the subject of review. The person or persons carrying out internal audit must be competent to carry out the role in a way that meets the business needs of the council.**
3. Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report to members designed to improve effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the council's staff and management, and not left for internal audit.

Roles and responsibilities - Yaxham Parish Council

To uphold its responsibilities in the internal audit process, Yaxham Parish Council will put in place and annually review the effectiveness of its systems of internal control including the appointment of the internal auditor and confirm that they are proportionate to the size and complexity of the Council's activities.

4. The Council will:
 - 4.1 appoint an Internal Auditor prior to the start of each financial year who satisfies the principle of independence and competence. The Appointee will receive a letter of appointment which sets out the terms of engagement. The appointment and rate of remuneration will be minuted.
 - 4.2 set out its control objectives in the form of Standing Orders and Financial Regulations and regularly review them.
 - 4.3 provide the Internal Auditor with Terms of Reference which will ensure that
 - i) The Internal Auditor has access to the evidence that will enable them to complete the Annual Internal Audit Report of the Annual Return
 - ii) The Council will have an independent opinion of its system of internal control that will underpin its Annual Governance and Accountability Return (AGAR)
 - 4.4 conduct a review of the effectiveness of its System of Internal Audit as soon as reasonably practicable after each financial year and will determine
 - 13.4.1 Whether the Internal Auditor met the Council's expected standards e.g. the scope of the Internal Auditor's work (does it, for example, enable the Auditor to complete the Annual Internal Audit Report of the Annual Return and give the Council the assurance that it needs to complete Section 1 of the Annual Return his competency and independence)
 - 13.4.2 Consider how valuable and useful the Internal Audit has been since it was last reviewed and how to incorporate new guidance and changes into the Council's own activities
 - 4.5 shall consider the findings of the review and incorporate them in its Statement of Internal Control.

5. The Council will provide the Internal Auditor with access to all the documents required and officers and councillors in order to undertake an effective audit on each occasion.

Internal Auditor

The Internal Auditor is required to carry out the periodic independent review of the Council's internal controls resulting in an assurance report to members designed to improve effectiveness and efficiency of the activities and operating procedures under the Council's control.

6. The Internal Auditor will conduct a minimum of one audit in the financial year as soon as possible after the year end.
7. Should the Internal Auditor be unable to complete any of the boxes in the Annual Internal Audit Report of the Annual Return an explanation will be provided.
8. Internal Audit has unrestricted access to all activities undertaken by the organisation in order to review, appraise and report on:-
 - 8.1 the adequacy and effectiveness of the systems of financial and Officer control and their operation in practice;
 - 8.2 the extent of compliance with, relevance of, and financial effect of, established policies, plans and procedures;
 - 8.3 the extent to which the assets and interests are accounted for and safeguarded from losses of all kinds arising from waste, extravagance, inefficient administration, poor value for money, fraud and other causes;
 - 8.4 the suitability, reliability and integrity of financial and other management information and the means used to identify, measure, classify and report such information;
 - 8.5 the integrity of computer systems, including systems under development, to ensure that controls over computer processing and associated clerical procedures offer adequate protection against error, fraud and loss of all kinds;
 - 8.6 the Council's financial and other management procedures within its powers, for special projects and unusual expenditure;
 - 8.7 review of the Council's risk management procedures and corporate governance;
 - 8.8 the follow up actions required to be taken to remedy weaknesses identified by Internal Audit review;
 - 8.9 review of the risks facing the Council and areas identified for improvement
 - 8.10 efficiencies identified
 - 8.11 the effectiveness of the Council's Corporate Governance
 - 8.12 areas of potential non-compliance across all areas of Council's operation identified for further investigation.
9. The Internal Auditor will present reports to the Council including one copy each of the report to the Parish Clerk after each internal audit and will summarise:
 - Work carried out
 - Significant findings
 - Agreed actions
 - Recommendations

10. The work of internal audit will be subject to an engagement letter on first appointment by the council, setting out the terms of the appointment. Engagement terms will include:
 - i) a statement of roles and responsibilities;
 - ii) terms of reference

 - iv) assurances around independence and competence;
