Expected Behaviours

Yaxham Parish Council have adopted this Code setting out the expected behaviours required of its members or co-opted members, acknowledging that they each have a responsibility to represent the community and work constructively with our staff and partner organisations to secure better social, economic, and environmental outcomes for all.

In accordance with the Localism Act 2011 provisions, when acting in this capacity, all Councillors must be committed to behaving in a manner that is consistent with the following principles to achieve best value for our residents and maintain public confidence in this Parish Council.

Selflessness: Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity: Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity: In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability: Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness: Holders of public office should be seen as open as possible about all decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty: Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership: Holders of public office should promote and support these principles by leadership and example.
