Councillors to monitor the situation to ensure the remainder of the hedge is cut appropriately.

## **Report for Yaxham Parish Council on the Christmas tree lighting event**

**Sunday 7<sup>th</sup> December 2025**

Many thanks to the Parish Council for funding the Christmas tree again this year. Particular thanks go to Chris for the hours he spent wiring cables for the lights into the lamp post. Having the lights operated on mains not only saved Chris a lot of work on charging batteries, but the lights are brighter and the baubles look great.

We acknowledge grateful thanks to Gary for sorting out the complexities of removing the flagpole from the base (as well as serving mulled wine!), and Rob Garner for coming along with his teleporter to put the lights and baubles on the tree. A fantastic effort by all!

Bob, ably assisted by Jeffrey, had the unenviable task of car park duty, made all the more onerous by the pouring rain! Looking like a pair of drowned rats, they allowed entry to stallholders and people with mobility issues, and directed everybody else to park in the road.

Sarah and Dani, raising funds for Tommy's Pregnancy and Baby Charity, put an enormous effort into organising the stalls and making all who exhibited feel welcome and valued.

Carlie was the lynchpin of the event and worked tirelessly, despite an untimely bout of flu, to ensure all went smoothly. She, together with Steve, provided festive decorations that made the Hall look perfect for the occasion. Carlie was assisted with the decorations on Saturday evening by Jude, Rebecca (our Parish Clerk) and her daughter. Steve's work behind the bar was obviously much appreciated by many people from the village during the afternoon.

We must also thank Niki and Graham Jones for providing tea, coffee and mince pies on behalf of the Community Café and Lorraine Varney for helping to organise the mulled wine.

Jo Robinson came along to support the carol singing with her recorder, and members of the Mid-Norfolk Singers joined us to add harmony. Many said they really enjoyed joining in.

Of course, it wouldn't have been the same without Santa! Thanks to Ben for taking on the role, ho-ho-ing along the way, leading the countdown(s) to the lights switch on and distributing sweets to the children. He may be relieved to know that Rob Garner has agreed to take on the role next year!

Julie Couves, our ever-smiling elf, encouraged many people to write personal messages on wooden hearts, to be hung on the tree. This is a reminder of the real spirit of Christmas and very much appreciated, particularly by those who have lost loved ones.

We estimate that up to 300 people attended and the feedback was fantastic. All in all, the YVAA trustees who were able to attend were delighted as to how it went.

As members of the PC may be aware, the lights switch-on had originally been planned to take place at 5.00, for the benefit of families with young children. Due to an error in the PC newsletter that stated the switch on would be at 6.00, we aimed for that time. However, as people began to arrive at 3.00, or soon after, many were starting to leave by 4.30. It is for this reason that the decision was made to turn the lights on earlier. Fortunately, members of the choir had initially been asked to come along to sing at 4.45. One family partaking of mulled wine said they had come along for the lights at 6.00 but were very understanding when the explanation was given.

I think we can all pat ourselves on the back for hosting an event that was enjoyed by so many members of our wonderful community. We understand that the fundraising target for Tommy's was exceeded – an all-round success to end the year.

We have begun making notes on improvements that can be made for next year; constructive suggestions will be very welcome!
